Femtosecond laser surface ablation of

the non-linear character of the interaction of ultrashort laser pulses with transparent materials allows the
Spatial resolution of laser micromachining of

Principles of laser materials processing -

laser materials processing . This book provides state-of-the-art coverage of the field of laser materials
processing, from fundamentals to laser engineering

Laser processing of materials | jyotsna dutta

Laser processing of materials. Added by fundamentals of laser-matter interaction and classification of
laser material processing.

Ultrafast laser-induced processing of materials:

Fundamental questions arise regarding the possibility and nature of melting and the ensuring mechanism of ablation in femtosecond laser processing of materials. A
